Work Experience

Frontend Internship (LIA2)

OpenAQ – 2025

- Developed features and resolved bugs for OpenAQ's web applications using JavaScript, TypeScript, SolidJS, Astro and CSS/SCSS.
- Worked with tools like Git and GitHub Actions, and learned best practices in accessibility, performance and responsive design.

Frontend Internship (LIA1)

Johannes Gutenberg Universitet – 2024

- Developed a pollution map using React, applying my frontend development skills and learning new technologies.
- Worked closely with colleagues through regular meetings, strengthening both my technical skills and my ability to collaborate in a team environment.

Mail Carrier

City Mail – 2018–2020

- Sorted and delivered mail in central Stockholm under high-pressure conditions.
- Demonstrated effective time management and adapted quickly to changes in the work environment.

Insurance Re-Coder

Trygg-Hansa – 2017

- Coded insurance policies in large-scale data systems for customers, ensuring accuracy.
- Worked independently and in teams to meet project deadlines and goals.

Cashier, Assistant Chef, Waitress

MA Baker – 2016–2017

- Managed the cash register, took orders, and prepared food in a fast-paced environment.
- Displayed strong work ethic and professionalism across various responsibilities.

Cleaner

Nära & Kära – 2015–2017

- Provided cleaning and maintenance services in customers' homes, stores, and offices.
- Worked with humility and respect in diverse settings.

Waitress, Conference Coordinator

Scandic Malmen & Scandic Norra Bantorget – 2011–2014

- Served guests and prepared breakfast for the following day.
- Coordinated conferences and catering, requiring excellent organizational and communication skills.

Store Associate

Din Sko – 2010–2012

- Actively engaged in customer service and managed the cash register.
- Performed stock work and ensured the store was well-stocked and organized.
